	Interexchange Telecommunications Services	)	
	and for Alternative and Flexible Regulation.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Domino Networks Communications, Inc. (Domino Networks or the Company) for an extension of time in which to prefile its testimony regarding its Application for a Certificate of Public Convenience and Necessity to provide competitive local exchange and intrastate interexchange telecommunications services and for alternative and flexible regulation. Domino Networks was originally ordered to file its testimony on or before March 28, 2001, however, the Company failed to submit its testimony to the Commission by this date. Domino Networks, through correspondence to the Commission dated April 5, 2001, requested that the Commission allow the Company to prefile its testimony by April 5, 2001. We find that no undue hardship or difficulty will be experienced by any party of record if the Company is granted an extension of time to file its prefiled testimony. We grant the extension. Accordingly, Domino Networks shall prefile its testimony and/or exhibits on or before **April 5, 2001**, and the Commission Staff and all other parties in this case shall file their

testimony and/or exhibits on or before **April 18, 2001**. Also, any rebuttal testimony and exhibits shall be prefiled on or before **April 20, 2001**, and any surrebuttal testimony and exhibits shall be prefiled on or before **April 24, 2001**. (Material must be in the offices of the Commission and in the hands of the parties on these dates.) It should be noted that acceptance into the record of surrebuttal testimony and exhibits is subject to the discretion of the Commission. In addition, parties shall serve their prefiled testimony and exhibits on all other parties of record as required by the Commission's Rules and Regulations. All parties are reminded that all witnesses must be present during any hearing in this matter at the call of the Chairman, or the Commission may decline to allow the witnesses' testimony to be read into the record of the proceeding, and/or may decline to allow the witnesses' exhibits to be entered into the evidence of the case.

This Order shall remain in full force and effect until further Order of the Commission.
